

I went to see this substantial brick, three-story building and prayed as to how to reopen it. The Lord replied "to open it as a primary school, for paying students, get the children back from the streets and foster them into Christian families in return for one hour's work per day". The paying students would then pay for the orphans' education and food at the primary school.

Pastor Ganta did this and soon there were 32 paying students and 64 orphans of whom half are already in foster homes and the remainder sleep in two of the rooms at this school.

Last week the bank sent a letter saying that they would take back the building because the mortgage has not been paid. The money owing on the whole building is \$35,000 (£16,240). This is yet another challenge.

Daystar TV

The trip to the USA was wonderful, visiting the Rock Churches and attending 3 other conferences in New York. On Monday, May 5th I was invited to speak on Daystar TV Kentucky. I was so glad that I obeyed the Lord to return home Tuesday the 6th rather than Monday the 5th which I have always done in the past. It was a brilliant interview. If you would like a copy of this broadcast, please let us know.

Please Pray for

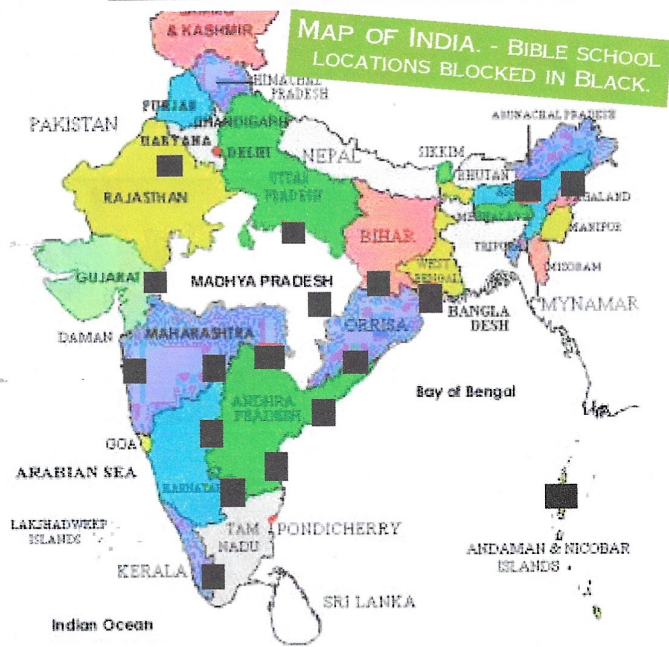

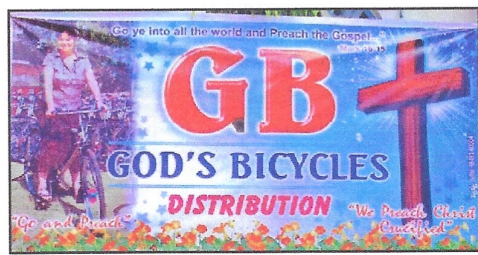

- * Bicycles for 1,000 graduates end June 08
- * Funds to buy the Orphanage for India.
- * For growth of ministry to keep up with demands.
- * For us not to limit God's work in any way.

Thank the Lord that the 1,160 evangelists who graduated in January 2008 have already planted 1,358 churches and brought 6,984 to Christ and baptized 3,012 of them so far. Jesus has healed 1,911 of them. All this year.

Thank you all for helping make this possible.
