Bicycles.

Miracle Provision for Orphanage

In May 2008 we were told that the bank
in India was to take back the orphanage
building unless £16,240 was paid for the
mortgage owing on it.
'We will buy the orphanage' I said, not
knowing how the Lord would do it.

Donna & Peter

New safety netting is erected
over windows in the orphanage
and new school desks are
being made.
The children will also get
School books & uniforms.

A week after sending out the last
newsletter with this story, Peter & Donna
who own a leather business near
Birmingham, phoned to say they would
love to buy the whole orphanage for the
children.   This is the most wonderful
news, they will also be coming with us to
meet the orphans in India during the
pastors & evangelists conference and
mass crusade in November this year.
Please thank the Lord with me for this
miracle provision.

Just one bicycle

Evangelist Prasad received
his bicycle at the end of
January 2008. He
concentrated on a Hindu
community Bondada
village and led 450 people
to Christ in 5 months. These
new believers are so excited
about Jesus, that one person
gave land, others wood and
roofing and they built a
church themselves.
On Sunday the 22nd June
they had the grand opening,
The entire community turned
up to welcome their first
church ever in their village.

Cutting the ribbon of the new church.

Crowding into the new church.

Evangelists receiving bicycles
to go out into more villages to
plant churches for Christ.
Please pray for more bicycles.

Off to reach the lost.
Thank you for being a partner with us.
God bless you, from *Suzanne*.
