## BIBLE SCHOOLS IN UGANDA SOME TESTIMONIES FROM OUR STUDENTS

I am Pastor Dominic Makuta, 54 yrs old. I came to Uganda as a refugee in 2021. I have been pastoring for 9 years, but in bondage. I used to dream about my late father who died long ago. Whenever I would dream about him, I would get problems of finances and serious sickness. My wife also used to fall sick every moment. When we joined this school of Step Out in Faith and were taught that chronic sickness are curses, me and my wife were delivered from septic ulcers. All the honour and glory belongs to our heavenly Father through his son Jesus Christ by the power of the Holy Spirit.

I am Nankunda Domitira, 69 years old. I am so glad for what the Lord is doing in my life through Step in Faith Bible School. I have learned the blessings of Abraham, Isaac and Jacob. I have learnt about curses and soulish talk. I used to pray soulish prayers against my enemies, and rejoice whenever they could get problems. I will never do it again after knowing that it is a sin. I will bless my enemies always. Thank you for teaching me and showing me the right way of living at my old age. Long live Step Out in Faith Bible School!

My name is Dassy Bazubafite, 57 years old. I was so desperate because of bad conditions of being a refugee. I used to stay alone in agony, from there, I developed high blood pressure and diabetes. When I heard that there was a Bible School going on in our camp, I decided to go and join the school, though I was desperate thinking that any time, I will die. The first lesson we studied was Divine Exchange. This lesson changed my life so much and rose my faith after knowing what Jesus did on the cross on my behalf. He was wounded that I might be healed, Isaiah 53:3-5. I started claiming my healing, with great hope and faith. I used to sleep with socks on my feet to create warmth, now I am free, and no longer putting on socks at night. I walk freely, my life is much better. Thank you

so much Step out in Faith for considering us and giving us a school. We never knew that there is anyone who loves us. You have bound our broken hearts. God bless you highly.

Dan, one of our Bible Teachers, went to preach at another church and after the service led two of the Pastor's daughters to the Lord. There was great rejoicing.

All our teachers have been training up another teacher from within their classes, so this means we will be able to increase the number of Bible Schools next year. At present we have Bible Schools running in Uganda and in Kenya. But next year we will be in a position to open up another 5 or 6 Bible Schools.

In Uganda 2023, we will be opening a new Bible School at the Ibanda Prison which has 600 prisoners. Also at Basirio's village in Kasasa we will running a bible School with predominately young men attending.
