Dear Friends,

The first quarter of 2010 has seen the Lord's work in an ever greater way. I have just returned from Australia and New Zealand where we saw three people raised from wheel chairs, eyes and ears healed. Many back problems healed, legs, knees and hips healed etc. We also raised money for 202 bicycles for Uganda, Ghana & Pakistan and also for a crusade in India, plus sufficient food for the orphans in Zambia until the end of April.

We thank everyone in Australia, New Zealand and England for giving towards these needs as this could not have been done without you.

In England I also spoke on Premier Radio's Woman to Woman Conference, which was wonderful, the Newspaper House, and various churches in London and Bristol. We also sent Peter and Donna Foulds to minister in India, while we were in New Zealand.

Read Peter and Donna Foulds report below

India by Peter Foulds.

We flew out of the UK on the 3rd February to encourage the pastors in the 'Step Out In Faith Bible Schools' in India and visit the orphans. We soon realised that this visit was different from previous visits, when under the discipleship of Suzanne. Now we were on our own, we were the evangelists. At first I was overwhelmed but God spoke into my heart, saying 'When you are weak I am Strong.'

Donna is not one to speak in front of people, but the Lord moved upon her and all fear left her. She was transformed and asking the ladies to receive Jesus, many came to the Lord, her first ever REAL speaking engagement.

We spoke at one large village crusade and the Lord gave me the words to say and many people responded to receive Jesus. We then asked if people would like to receive healing? We asked people to receive healing just as we had been taught by Suzanne. Well, Wow – to our joy and amazement many people came forward to testify to the healing power of Jesus. It was awesome! One lady came up and said "When I arrived at the meeting I was blind, but now I can see." How awesome is that?

Please continue to pray for these ministries, and if at all possible do what we did in obedience to our amazing Father, and dip your toe in. Who knows what God will do?

God bless Peter & Donna Foulds.

News From Australia. By Trisha Ellis

During Suzanne's visit to Australia, Jan 29 to 11 Feb, many sitting under her ministry observed how Jesus confirmed His word with signs following. Many were blessed as Suzanne prayed for the sick.

The most memorable meeting for me was the F.G.B.F in Blacktown, where Jesus healed nearly all who went up for healing. One lady was healed of a broken finger and confirmation after confirmation of healings were heard. This was an awesome and humbling experience, as we witnessed the love of God in Action. From, Trisha.

As a result of this meeting, Suzanne's dvd of the meeting on the 8th of Feb, will be re-shown in Blacktown on the 21st of April, where Suzanne will pray for the sick over the telephone from England, straight after the dvd has been shown.

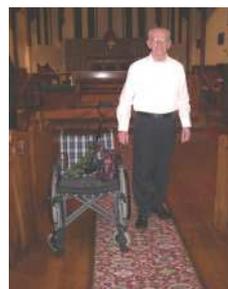

News From New Zealand. By Joy Johnson.

Suzanne arrived in New Zealand on the 11th of Feb to the North Island for 6 days and 28 days in the South Island to speak in 9 towns.

I was able to witness many amazing miracles and hear testimonies of many healings.

One miracle began in Rangiora where a lady in a shoe shop overheard people talking about the healings that occurred in the meetings. Her husband had been in a wheelchair for two years due to a stroke and could not walk. She then looked up all the churches from the phone book and began to ring up each one to find out where Suzanne was speaking. Finally one church informed her that she was to speak in an Anglican church that Sunday night.

They came and Nat went forward for prayer in his wheelchair. Suzanne prayed for him and Nat got out of his wheelchair and began to walk with his hands raised, praising and thanking Jesus. An amazing miracle of determined faith. (Continue on next page.)

Nat had Spinal Cerebellum from defective gene. In wheelchair for 2 years. 'Jesus enabled me to walk'

Joyce suffered a stroke, Jesus saved her and freed her up to walk better.

Elizabeth had a severed Sciatic nerve in the right leg. Jesus gave her sensation in the ankle, leg & back and healed her.

Roseanne had Breast Cancer. 'After Suzanne prayed for me I believed Jesus healed me & later on in the year I had a mammogram & it was negative'.

Maria: had hearing problems for many years. 'After prayer Jesus restored my hearing'.

Gaylene, hard of hearing holding up her hearing aids. After prayer Jesus opened her ears. I can now hear without hearing aids."

Another healing took place in Oamaru when one elderly lady came forward for healing of Arthritis. She had been a dancer in previous years but now her movements were restricted by the Arthritis. After prayer she ran around the church, all pain gone. Her friend who also suffered from Arthritis, saw this and immediately got out of her seat and came forward for prayer saying, "I want some of this too. If she can have this, so can I." When Suzanne prayed for her, the arthritis left and both ladies ran around the church together. It was a victory run! Everyone at the church was filled with joy to see them. We rejoiced in our Lord.

My own 97 year old Mum, Nellie Woods, also received a healing from a condition of a polyp she had for five years. It had given her much discomfort, pain and even bleeding. She went forward for prayer at the Parklands Baptist church in Christchurch. Suzanne prayed for her. The next morning the polyp had totally disappeared. What great joy for my Mum and for our family. We are so grateful to God for giving us His Son, to take our sicknesses upon Himself so that we might be healed. Thank you Jesus.

Many people I have talked with have shared that there is hunger and desire within them to spend more time in the presence of Jesus and to begin to pursue God with determination, since hearing the messages Suzanne brings. Through the generosity of people and churches here in New Zealand, we have already been able to send finance to Pakistan to purchase 55 bicycles for the evangelists there, who risk their lives to share the Good News of Jesus.

There has also been a good response in New Zealand of 40 people prepared to do the 'Discipleship Certificate Course', comprising of Derek Prince's book 'and "Dare to Enter His Presence" and "Dare to Step Out in Faith". This course can be done at your own pace and when completed a certificate is given. This will build strong disciples of Jesus and I can recommend it for anyone wanting to grow in God.

Thank you Suzanne for being willing to come to New Zealand and give of your time and energy to extend God's Kingdom here.

Newspaper House London *By Lennox Moore.*

Thank you so much for your visit to 'News International' last Wednesday. It was really exciting to learn of what God is doing through the work of Suzanne's Ministries. We knew that God was going to do something very special in our midst. The young lady that you prayed for (Rena) explained that she had a slipped disc. After you had prayed for Rena you asked her to do something that she could not do before. Rena, then bent forwards and touched her toes. The next day I met a very excited Rena on her way to the gym for the first time in ages. She explained that when you asked her to do something that she was not able to do before, due to the very limited range of movement the back condition allowed, she knew that touching her toes, (which is something she was not able to do for three years, in fact all the time she has suffered with this condition) would be proof positive that God has indeed granted her healing. We rejoice with Rena and we give God thanks for you and your ministry. We pray that it will continue to be fruitful and that God will use the ministry to meet the needs of His people. We pray too that God will continue to strengthen and equip you for His service.

Amazing Work In Pakistan.

Thanks for your yesterday night preaching over the phone. This meeting was unforgettable. Amazing reports. We have seen many signs and wonders. First I want to share that through the word of God 30 people accepted the Lord Jesus Christ, and 25 people have received healing from different diseases. Here are some testimonies.

There was a 13 year old child and because of a fever he could not walk, but could only stand, so when you prayed the power of the Lord Jesus Christ entered the child. He not only walked but actually ran for joy. This was a great miracle. When the people saw this they clapped and shouted for the glory of God.

A lady of 35 years old had a pain in her stomach for fifteen days. She had seen many doctors and been to hospital for check up, but she had not received any relief or cure. Last night as we prayed for her she told us that God has healed her completely. This morning the pastor called me to tell me that the lady had told him personally last night that Jesus appeared to her and put His hand on her stomach and she was immediately healed.

There were two ladies and they both had pain in their feet, for several months, but yesterday after prayer Jesus healed them. Their pain has completely gone.

We are so thankful for your concern for Pakistan through your ministry and supporters. God is doing great works.
God bless you,
Arif Ashiq.

Telephone evangelism. has saved us airfares, time and money. Now the Lord is showing me how laptop computers with Skype, a DVD player and port for a computer projector can greatly advance the work of our leader in each country in training and evangelism. They can show the Jesus film and the Gospel messages to the villagers who will travel miles to see a film, as well as showing our teaching DVDs to our Bible Schools. I can also do training or evangelism from the U.K. this way.

We are therefore looking for 3 second hand laptops and overhead projectors, or £300 to buy each item new. Please pray that we can equip our leaders in Pakistan, India and Uganda in this way.

To our supporters.

Thank you all so much for contributing in some way to this ministry. During the last few months the Lord has been showing us ways to cut costs and continue without the costs of employing others to help.

- 1) Through 'telephone evangelism' saving on airfares, time and money.
- 2) Through training and sending out co-evangelists like Peter Foulds and others, cutting down on the many trips.
- 3) Though sending out newsletters from a central printing office, rather than doing them from home.
- 4) Through our once a week volunteers who have been wonderful. We especially thank Vicky Crisp who does our Data base and gift aid, and Vivienne Milner who does our thank you letters once a week.
- 5) By considering, if able, to give monthly, by direct debit. We do not send these givers monthly thank you letters, but instead give them a free DVD set, or book, at least once a year as a thank you instead. This helps us in our planning ahead as well as saving in administration.
- 6) Please notify us of any changes of address etc. Thank you.
- 7) We welcome any advice or ideas you have, that we may improve.

Orphanage news. We praise the Lord and thank Him so much for the lady who gave £2,400 to put up their orphanage church and school.

It is going up at present and we will show the photos when they arrive from Zambia, in the next newsletter.

Discipleship Certificate Course. Many new students have already enrolled this year, especially in Australia and New Zealand. Some churches are using it in their weekly bible studies. We are offering this sound foundational course for only £25 or \$50 for 'Life Changing Spiritual Power' which includes 6 books by Derek Prince and 2 books by Suzanne Pillans on Prayer 'Dare to Enter His Presence' and the foundations of our faith, 'Dare to Step Out In Faith'. Please order from the office in your country.

Thank you for being one of our precious partners, From, Suzanne.
